

MOST WANTED — Benjamin Hoskins Paddock has been added to the FBI's list of "Ten Most Wanted Fugitives." He escaped from the Federal Correctional Institution at La Tuna, Tex., in December while serving a 20-year sentence following conviction for robbing a Phoenix, Ariz., bank in 1960.

Prather Is Alarmed By Growing Gap

In a brief farewell last night, Principal Robert H. Prather of Tamalpais High School warned that increasing lack of understanding between youngsters and their parents is creating not merely a generation gap, but a widening gap between the schools and the adult community.

Speaking at Tam's award night ceremonies in the school library, Prather said, "Students and their parents are getting farther and farther apart. This indicates trouble for all of us. Parents have to review the standards they live by."

Prather — ending seven years as principal and about to leave on a year's sabbatical tour of Europe — said that teachers and school administrators were getting closer to students than were parents and that the result was that "by getting closer to the kids, we (the schools) get farther apart from the community."

He asked parents to approach the youngsters with more open-mindedness and greater understanding of what youth is trying to say.

In addition to previously announced prizes, an award for perfect attendance was presented to Steven Hayes.

Other unreported awards included the Governor's Award for Academic excellence to Hayes, Christopher Healy, Steve Crain, Alice Rich and Jacob Stoller, and the Mill Valley Center for the Performing Arts award of merit to Liese Greensfelder, Joan Polanshek, Ellen Rosenthal and Kristin Womak for student film work.

Design Committee Accepts Church Bond

The San Anselmo Design Review Committee last night accepted a \$1,000 bond pending completion of landscaping and site improvements for the St. Nicholas Russian Orthodox Church at 102 Ross Avenue and gave church representatives permission to install a fence.

The committee also tentatively continued the request from Alfred Barthel for a sign on the southeast corner of his restaurant, Senor Alfredo, at 115 San Anselmo Avenue, to the next regular meeting on June 25, secretary Robert W. Golcher said.

Limit Placed On Swim Instruction

The Independent-Journal erred yesterday in reporting that the San Rafael Planning Commission Tuesday night granted Patricia Del Prete a use permit for daily individual swim instruction in the pool of her home.

The commission limited the days of instruction to Mondays, Tuesdays, Thursdays and Fridays from 10 a.m. to sunset at the Del Prete pool at 46 Brentwood Drive.

Mideast Fighting Leaves 12 Dead

TEL AVIV (AP) — Eight Arab infiltrators and four Israeli soldiers were killed in two Jordan Valley encounters yesterday and today, the Israeli army announced.

The first battle, a running gunfight up a 1,000-foot mountain west of the Jordan River, was described as one of the most serious clashes between Arab guerrillas and Israelis this year. In the chase through twisted underbrush and craggy

hills eight Arab commandos and three Israeli soldiers died, the army said.

Bazooka fire across the cease-fire line from Jordan killed an Israeli lieutenant and wounded two other Israelis on patrol early today. Israeli units fired back after the rockets hit their patrolling half-track near Ashdot Ya'akov, a settlement four miles south of the Sea of Galilee.

St. Lucia, West Indies, it is believed, was discovered by Columbus.

Scholarship To Marin Collegian

Margaret Jeffrey of San Rafael, a student at the College of Marin, yesterday was awarded a scholarship to the newly formed Academy of World Studies in San Francisco.

Miss Jeffrey, daughter of Dr. and Mrs. Robert A. Jeffrey Jr. of 178 Palm Avenue, will attend a summer seminar at the academy next week.

The academy has been organized by Bennet Skewes-Cox of Ross, as a new approach to the study of world affairs.
